Steve Vaught  
Doug West  
Jonathan Woods

## WE MISSED...

Wayne Bruns\*  
Jake Joseph

Karen Novak  
Brenda Roe-Weaver\*

Jeff Sharpe  
*\*excused*

## CLUB NEWS

- ☞ **Guest...** Anita Messerschmidt invited one of her salespeople to present, Greg France.
- ☞ **New Member...** Dave Harrison has sponsored our newest member, Melissa Garrels. She is co-owner of Signature Male in Clive and Salon LaLa in Ankeny. Welcome to Breakfast Club, Inc., Melissa.
- ☞ **Social Events...** Monday, November 25, is your last chance to let Wayne know if you will be attending our Holiday Brunch on Sunday, December 1. Contact him now with your choice of entree: filet mignon, rosemary chicken, or salmon filet. Time is up.
- ☞ **Road Trip...** For our December 6 meeting, Dave Harrison has arranged our first off-site meeting in quite a while. We will be meeting at the new buildings Dave's company designed at the Iowa Correctional Institution for Women in Mitchellville. Directions and maps are attached. Google estimates it's about 22 minutes from downtown so plan your travel time accordingly. Please RSVP with Dave so he'll know how much breakfast to purchase.

## PROGRAM

Greg France, representing EmbarkIT, demonstrated one of the fine printers his company offers its customers, the HP Officejet Pro X476. Recently certified by the Guinness Book World of World Records as the fastest desktop printer available. HP completely redesigned the inkjet process using a bar with 42,000 print heads so it's much more ink efficient and has very few moving parts.

EmbarkIT does just about anything IT-wise: hardware, software, networking, service, help desk, certification testing, and more. One of their latest services involves etching. They can put images or lettering on various types of surfaces. They do a lot of this for companies and schools who purchase computers or tables to be used by students. The school logo and inventory number can be etched on the lid or back of the item to discourage theft.

Thanks, Greg and Anita, for showing off one of your products and bringing us up to speed on EmbarkIT.

**REMINDER!!**  
Future Programs

<p>December 20 January 3 January 17</p>	<p>John Hunter Brenda Roe-Weaver Dave Smetzer</p>
---	---

I-80 west to the Mitchellville exit (149). Turn south (right) onto 112<sup>th</sup> Street. Continue due south. Street turns into Cotton Avenue NW. Pass through a 4-way stop and another stop sign before entering new road to the new part of the prison.

Enhanced view of the new part of the prison we will be touring. Park in the main lot (red dot).
